Music Programme

Synopsis

Dr. Coppélius, who creates a lifelike mechanical doll named Coppélia, causing his neighbor Franz to fall for the doll instead of his fiancée, Swanilda. Swanilda and her friends sneak into Coppélius' workshop, where they discover Coppélia is just a doll. To get back at Franz, Swanilda disguises herself as the doll to prank the toymaker, but the plot escalates when Franz also sneaks in and the toymaker tries to bring the doll to life with Franz's life force. Eventually, the deception is revealed, and the couple reconciles and gets married.
